

VAFW2024

FASHION WEEK

Nov 12-17
2024

MISSION STATEMENT

VA Fashion Week was founded with a tri-fold purpose; to promote Virginia's talented designers, models, and artists; to promote the economic development of the region by nurturing the creative class; especially those involved in fashion, beauty and the arts; and to partner with regional charities to create awareness and encourage community involvement.

Over 5000 people have attended our shows and over 350K have visited our website and/or viewed our videos. During our last 5 seasons, our Designer Showcase was standing room only. Our models and designers have gone on to work in New York, Los Angeles, Miami, Milan, Paris, and around the world.

Our shows are attended by business owners, media personalities, art and fashion aficionados of all ages with the largest demographic being women between 25 and 50. We are proud to be the premiere fashion event in the state of Virginia.
